Subject: heads up that BCDC is

Possibly preparing an update briefing for commissioners (at McGrath's request) on progress with Middle Harbor Enhancement.

I expect it's likely the Corps will come in and say it's going fine, but report no evidence of habitat enhancement since the last time we poked a few years ago.

Not sure if there is someone within EPA-9 Water you suggest we talk to.

I've been on travel for about a week – haven't heard any update on Redwood City recently.
